SUMMARY ANALYSIS**D&B Rating:** 1R3**Number of employees:** 1R indicates **10 or more** employees.**Composite credit appraisal:** 3 is **fair**.

The Rating was changed on February 6, 2006 because of a change in payment information appearing in D&B's file. The 1R and 2R ratings categories reflect company size based on the total number of employees for the business. They are assigned to business files that do not contain a current financial statement. In 1R and 2R Ratings, the 2, 3, or 4 creditworthiness indicator is based on analysis by D&B of public filings, trade payments, business age and other important factors. 2 is the highest Composite Credit Appraisal a company not supplying D&B with current financial information can receive.

It is D&B's policy not to rate a subsidiary higher than its parent. Therefore, this company also has a Composite Credit Appraisal of "3". For more information, see the D&B Rating Key.
